Description of the items to be purchased

Description of the type of business activity generally engaged in or type of items normally sold by the purchaser:

The taxable items described above, or on the attached order or invoice, will be resold, rented or leased by me within the geographical limits of the United States of America, its territories and possessions, in its present form or attached to other personal property to be sold.

I understand that if I make any use of the item other than retention, demonstration or display while holding it for sale, lease or rental, I must pay sales tax on the item at the time of use based upon either the purchase price or the fair market rental value for the period of time used.

I understand that it is a misdemeanor to give a resale certificate to the seller for taxable items which I know, at the time of purchase, are purchased for use rather than for the purpose of resale, lease, or rental, and that upon conviction I may be fined not more than \$500 per offense.
