Enjoy Access to Industry-leading Headset and Audio Solutions from Plantronics

Plantronics new Authorized Reseller Program sets the foundation for the way we do business with our channel partners. In order to protect your investments in Plantronics, we are requiring all resellers who want to buy and resell most of our newly launched

products, as well as some existing ones, to become an Authorized Plantronics Partner. This applies to all partners who resell both our consumer and enterprise products and takes effect on October 1, 2014.

How to Get Authorized:

- 1. APPLY:** Partners with signature authority must apply for authorization at: plantronics.com/partnerauthorization.
- 2. CHECK EMAIL:** If your application is approved, you will receive a provisional approval email. This email will contain a confidential link to Plantronics Authorized Reseller Agreement and EMAP policies for you to review.
- 3. CLICK TO AGREE:** Follow the link and click to accept the agreement. After receipt of the electronic agreement, we will send you an email confirming your Plantronics Authorized Reseller status.
